FOAM ENCASED**MATTRESS COLLECTION**

Our foam-encased mattress collection offers a supportive foam border that helps improve mattress durability. The foam border is designed to offer a pressure-relieving experience and help reduce the edge roll-off feeling. The core of the mattress includes individually pocketed coils for optimal comfort and responds independently to pressure.

This collection includes the following mattresses:

- Cloud Euro Top
- Hybrid Euro Top
- Ultra Firm

Denier Dorm Mattress

This mattress is a high-quality innerspring core mattress offering ultimate edge support, durability, and comfort. This mattress features a durable denier nylon cover treated with an antimicrobial solution that helps reduce the risk of mold, mildew, and other growing bacteria. It is ideal for college dorms, behavioral health facilities, transitional housing, long-term housing facilities, and more. The fluid-proof material makes it easy to clean and prevents fluids from penetrating the fabric. This collection meets all necessary mattress certifications and is handcrafted with top-quality materials.
